April 22, 2021

I just wanted to make sure that the committee knows that the Justices debated the timing issue that Jeff mentions in the context of the Hobbs Act in *PDR Network v. Carlton & Harris Chiropractic*, 139 S. Ct. 2051 (2019), and that it is discussed in a student Note, Hindley, *Time Is Not the Enemy*, 88 GWLR 1193 (2020).
